Machine Rinse Aid

UNIT: 2 x 5L

Description

Professional rinse aid designed for commercial dishwashing machines. Prevents water spots and ensures streak-free drying for glassware, crockery, and cutlery. Essential for restaurants, fast food outlets, and catering operations requiring consistently spotless results. Improves drying performance and reduces manual polishing. Supplied in twin 5-litre bottles for high-volume operations.

Key features: Rinse aid formula • Spot-free results • Streak-free drying • Professional finish • 2x5L format
