

Desiccated Coconut

UNIT: 1kg

Description

A fine, pure form of coconut that earns its place in kitchens working across sweet and savoury menus. Use it in macaroons, lamingtons, traybakes and biscuits, stir it into curries and chutneys, or scatter as a tidy garnish on cakes and desserts.

The 1kg pack keeps the product fresh between uses, suiting bakeries, cake shops, restaurants and caterers across care, education and

hospitality.
