

Espresso Coffee Beans 100%

UNIT: 1 x 1kg

Description

Ideal for establishments seeking quality and value, these dark roasted beans are perfect for bean-to-cup machines. They deliver a strong, caffeine-rich espresso that cuts through milk even in small doses.

Roasted in the Italian style, these beans offer spicy and smoky notes with dark chocolate undertones. They're an excellent choice where consistent flavour and cost-effectiveness are key and are available in 1kg bags.
