Mushy Peas (2.61Kkg)

UNIT: 6 x 2.61kg

Description

CHEF Approved mushy peas are sourced and manufactured in Italy, low in fat, high in nutrients. The vast majority of our Mushy peas are used as a side dish for fish and chips and there's nothing quite like a chunk of battered fish dipped in warm mushy peas. But with a bit of ingenuity, this simple side can be adapted and utilised into dishes including sauces for pasta.
