Walnut Halves

UNIT: 1kg

Description

A great source of protein, fibre and nutrients, our walnut halves bring both visual appeal and texture to the plate. They're ideal for finishing salads, cheese boards and desserts, and work just as well baked into brownies, coffee cakes and traybakes where neat, recognisable pieces are wanted.

Supplied in a 1kg pack, this size suits restaurants, coffee shops and bakeries that

want freshness and portion control without committing to bulk sacks.
