White Chocolate Cookie Pucks

UNIT: 90 x 50g

Description

Our white chocolate cookie pucks offer a sweeter, creamier alternative with soft vanilla-based dough studded with white chocolate chips. Baking from frozen in just 11-15 minutes, they remove the guesswork and reduce labour costs while giving you the flexibility to bake to order or prep batches for peak times. Add variety to your dessert menu without adding complexity, and stock all three varieties to give customers real choice.
